Case No.

REQUEST FOR APPROVAL OF LOCAL RULE RE-ADOPTING CURRENT CASELOAD ALLOCATION RULE

The judges of the courts of record of Gibson County have met and reviewed the 2007 weighted caseload statistics of the courts of record, which review reveals that the difference in utilization between any two courts of record does not exceed .40 based on the 2007 Weighted Caseload Report.

Accordingly, the judges of the courts of record have decided to re-adopt their local rule pertaining to caseload allocation as required by Administrative Rule 1, which local rule had previously been published for public comment as required by Trial Rule 81 and which has been approved by the Supreme Court, and request the Supreme Court to approve the re-adoption of the local caseload allocation rule.

Submitted this the 2nd day of September, 2008.
